B1. Updated Groundwater Management, Monitoring, and Mitigation Plan

SMWD, San Bernardino County, Cadiz Inc., and FVMWC entered into an MOU in May 2012 to establish the framework for working together to finalize the GMMMP. The Updated GMMMP reflects negotiations between the aforementioned parties since the Draft EIR was published in December 2011. For that reason, the Updated GMMMP is included in the Final EIR. Changes in language to the Draft GMMMP published with the Draft EIR are minimal and constitute more stringent measures for managing, monitoring, and mitigating potential impacts.
